Numerals (1), (2), (3), (4) after college honors and offices indicate freshman, sophomore, junior and senior years, respectively.

A star (*) after a name denotes that the member is deceased. In every case in which the year of the decease is known it is indicated to the right at the bottom.

The name of the institution by which it has been conferred follows the date of degree. The omission of such name indicates that the degree was conferred by the institution containing the chapter of the Fraternity into which the member was initiated.
